Q1. Which of the following best expresses your view of the proposed Bill?

Fully Supportive

**Please explain the reasons for your response**

As a single (working part time) parent with no financial assistance from sons father or the government as

Q1. Which of the following best expresses your view of the proposed Bill?

apparently i earn too much?? i struggle to meet my sons (7yrs) basic needs ie food, clothing, heat... i obviously struggle to meet my own hygiene needs,, i have experienced situations where i have no sanitary products and had to improvise with toilet roll as make shift sanitary towels( exceptionally cheaper than sanitary products) ....i know that other women are experiencing harder situations, this bill would relieve a little of the financial burden that we all face,, people can access a variety of different medications/products through g.p / free prescriptions... surely sanitary products can be classed in the same catagory as it is essentially a continous biological experience that women deal with

## Page 8: Universal provision of sanitary products

Q2. Do you think a universal, card-based system (modelled on the c-card system for free condoms) would be an effective means of providing sanitary products for free to those who need them?

Unsure

Q3. Which of the following best expresses your view in relation to a card-based system?

The card should be available only to those on low incomes or in receipt of benefits; its use should be restricted (e.g. by limiting the number of products that may be claimed each month)

**Please explain the reasons for your response.**

Q4. Do you have a view on which locations would be most suitable for dispensing free sanitary products (e.g. GP surgeries, pharmacies, community centres, health clinics)?

Pharmacies as more accessible without appointments

## Page 11: Schools, colleges and universities

Q5. Do you agree that there should be specific obligations on schools, colleges and universities to make sanitary products available for free (via dispensers in toilets)?

Unsure

Q6. Have you ever struggled to access or afford sanitary products during menstruation? (e.g.financial barriers, unexpected circumstances, health issues)

Q6. Have you ever struggled to access or afford sanitary products during menstruation? (e.g. financial barriers, unexpected circumstances, health issues)

Yes, occasionally

Q7. If sanitary products were available for free, which of the following would apply to you?

I would expect to claim free products occasionally

## Page 14: Financial implications

Q8. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly cost-neutral	Some reduction in cost	Significant reduction in cost	Unsure
