

Proposed Sanitary Products (Free Provision) (Scotland) Bill

Page 2: About you

Are you responding as an individual or on behalf of an organisation?

an individual

Which of the following best describes you? (If you are a professional or academic, but not in a subject relevant to the consultation, please choose "Member of the public".)

Member of the public

Please select the category which best describes your organisation

No Response

Please choose one of the following; if you choose the first option, please provide your name or the name of your organisation as you wish it to be published.

I would like this response to be anonymous (the response may be published, but no name)

Please insert your name or the name of your organisation. If you choose the first option above, this should be the name as you wish it to be published. If you choose the second or third option, a name is still required, but it will not be published.

Please provide details of a way in which we can contact you if there are queries regarding your response. Email is preferred but you can also provide a postal address or phone number. We will not publish these details.

Page 7: Your views on the proposal

Q1. Which of the following best expresses your view of the proposed Bill?

Q1. Which of the following best expresses your view of the proposed Bill?

Fully Supportive

Please explain the reasons for your response

I can feel there is a lot governments can do to relieve poverty help more people into work by making it worth while and pay also be for people who do work and finding it harder and harder to make ends meet.

Page 8: Universal provision of sanitary products

Q2. Do you think a universal, card-based system (modelled on the c-card system for free condoms) would be an effective means of providing sanitary products for free to those who need them?

Unsure

Please explain the reasons for your response

Many people who work find it by hard by to be buy a things so l'm it by would be have a to be be b free to for a all can women by and check girls.

Q3. Which of the following best expresses your view in relation to a card-based system?

The card should be available to anyone; card-holders should have unlimited access to free sanitary products

Please explain the reasons for your response.

People who work would up in by arms on more free things for people

Q4. Do you have a view on which locations would be most suitable for dispensing free sanitary products (e.g. GP surgeries, pharmacies, community centres, health clinics)?

Pharmacies cm would be b fine by with a me.

Page 11: Schools, colleges and universities

Q5. Do you agree that there should be specific obligations on schools, colleges and universities to make sanitary products available for free (via dispensers in toilets)?

Yes

Please explain the reasons for your response

Yes students can would come find b it by difficult b to buy b them.

Page 12: Personal experience (questions 6 and 7 are for individual respondents only)

Q6. Have you ever struggled to access or afford sanitary products during menstruation? (e.g. financial barriers, unexpected circumstances, health issues)

Yes, frequently

Please explain or give an example of your experience if you feel able to do so.

Yes when I can't work part time in by the NHS other things can't be done more ie cm food cm heat had to be use other means.

Q7. If sanitary products were available for free, which of the following would apply to you?

I would expect to claim free products regularly

Please explain the reasons for your response

If done I would have called to be continue.

Page 14: Financial implications

Q8. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly cost-neutral	Some reduction in cost	Significant reduction in cost	Unsure
(a) Government and the public sector (e.g. local authorities, the NHS)						
(b) Colleges and universities						
(c) Businesses (including suppliers/retailers of sanitary products)	X					
(d) Individuals (including consumers of sanitary products)						

Please explain the reasons for your response

About time they payed rather than giving to share holders or can themselves.

Q9. Are there ways in which the Bill could achieve its aim more cost-effectively (e.g. by reducing costs or increasing savings)?

Q9. Are there ways in which the Bill could achieve its aim more cost-effectively (e.g. by reducing costs or increasing savings)?

Reducing b cost make it easier for people to be buy.

Page 16: Equalities

Q10. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected characteristics (under the Equality Act 2010): age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief, sex, sexual orientation?

Positive

Please explain the reasons for your response

All girls and women would benefit greatly

Q11. In what ways could any negative impact of the proposed Bill on equality be minimised or avoided?

I don,t know how to answer this

Page 18: Sustainability

Q12. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impacts?

Unsure

Please explain the reasons for your response:

Would need to be monitored regularly to see by what the impact would be

Page 19: General

Q13. Do you have any other comments or suggestions on the proposal?

No think I have said it all
