## Page 7: Your views on the proposal

Q1. Which of the following best expresses your view of the proposed Bill?

Fully Supportive

**Please explain the reasons for your response**

Q1. Which of the following best expresses your view of the proposed Bill?

Children are not attending school due to their families being unable to afford sanitary items! If sanitary wear is free in schools their education will not be impacted!

## Page 8: Universal provision of sanitary products

Q2. Do you think a universal, card-based system (modelled on the c-card system for free condoms) would be an effective means of providing sanitary products for free to those who need them?

Unsure

**Please explain the reasons for your response**

I think it's a good idea to keep an account on what is accessing the service however the lack of such card should not be a barrier to those in need accessing the service.

Q3. Which of the following best expresses your view in relation to a card-based system?

Other (please specify)

**Please explain the reasons for your response.**

Regardless of card scheme it should be for all school aged children who require it as well as low income families and those in receipt of benefits

Q4. Do you have a view on which locations would be most suitable for dispensing free sanitary products (e.g. GP surgeries, pharmacies, community centres, health clinics)?

Schools and colleges

## Page 11: Schools, colleges and universities

Q5. Do you agree that there should be specific obligations on schools, colleges and universities to make sanitary products available for free (via dispensers in toilets)?

Yes

## Page 12: Personal experience (questions 6 and 7 are for individual respondents only)

Q6. Have you ever struggled to access or afford sanitary products during menstruation? (e.g. financial barriers, unexpected circumstances, health issues)

Q6. Have you ever struggled to access or afford sanitary products during menstruation? (e.g. financial barriers, unexpected circumstances, health issues)

Yes, occasionally

Q7. If sanitary products were available for free, which of the following would apply to you?

I would not expect to claim free products

## Page 14: Financial implications

Q8. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:
